SUMMARY

Passionate about crafting exceptional user experiences and solving complex challenges, I am a skilled Front-End Developer with over 4.5+ years of experience in the IT industry. Proficient in a wide range of technologies including React JS, Redux, JavaScript, Typescript, Node JS, HTML, CSS, SASS, and Bootstrap, I am constantly seeking opportunities to enhance my professional and technical skills.
Currently, I am working as a Front-End Developer at IBM, contributing to developing cutting-edge projects. Previously, I was part of the Capgemini team, where I honed my expertise in front-end development.

EDUCATION

B.Tech, Information Technology

UNITED COLLEGE OF ENGINEERING AND RESEARCH, Allahabad

📅 01/2014 - 01/2018

PROJECTS
